Personal information

First name / Surname	Cecilia Mantegazza
Address	3, via Principe Eugenio, 20155, Milan, Italy
Telephone	
E-mail	cecimante@hotmail.com
Nationality	Italian
Date of birth	18/04/1982
Gender	Female

Work Experience

Dates (from-to)	From April 2016 until now
Occupation or position Held	Consultant in General paediatrics and A and E, plus consultant gastroenterologist
Main activities Department, Service Name and address of Hospital	Pediatric ward, A and E, general gastroenterology ambulatory, gastroscopies and colonoscopies, pH-impedences in surgical and medical patients Department of Paediatrics, Head: Prof. G.V Zuccotti. Buzzi hospital, Via Castelvetro 32, Via GB Grassi 53 Milano
Dates (from-to)	From June 2015 until March 2016
Occupation or position Held	Consultant in General paediatrics and A and E, plus consultant gastroenterologist
Main activities Department, Service Name and address of Hospital	Pediatric ward, A and E, gastroenterology ambulatory, gastroscopies and colonoscopies, pH-impedences in surgical and medical patients Department of Paediatrics, Head: Prof. G.V Zuccotti. Buzzi hospital, Via Castelvetro 32, Milano

Work experience

Dates (from-to)	From September 2014 till 19 May 2015
Occupation or position Held	V° year of Speciality training in General Paediatrics
Main activities	Understanding and management of children on the pediatric ward and in the A&E unit
Department, Service	Ward and A&E departments of General Paediatrics
Name and address of Hospital	Department of Paediatrics, Head: Prof. G.V Zuccotti. Buzzi hospital, Via Castelvetro 32, Milano
Dates (from-to)	From September 2014 till 19 May 2015
Occupation or position Held	V° year of Speciality training in Gastroenterology
Main activities	Gastrosopies and colonoscopies, pHimpedences
Department, Service	Department of Peaditric surgery-Gastroenterology
Name and address of Hospital	Department of Paediatrics, Head: Prof. G.V Zuccotti. Buzzi hospital, Via Castelvetro 32, Milano
Dates (from-to)	From September 2013- to August 2014
Occupation or position held	IV°-V° year of Speciality training in General Paediatrics, Gastronterology

Main activities	Diagnosis and management of common GI disorders. Endoscopy training with gastroscopies and colonoscopies, VCE insertions performing. Observing PEG insertion and insertion of translyporic jejunal tubes.training in pHimpendeces. Understanding of indications and management of children requiring hospital and home parenteral nutrition, understanding of the nutritional requirements of children at different ages and indications for specialized formulae and the mode of application, Understanding of indications and contraindications for small bowel transplantation. Specialisation thesis on Inpatient parenteral nutrition. One year prospective data collection (indication for PN, duration, complications, outcome)
Department, Service	Department of Gastroenterology, Great Ormond Street Hospital. , London. Educator and clinical supervisor Dott Jutta Koglmeier
Name and address of Hospital	Great Ormond Street Hospital, WC1N 3JH, London
Dates (from-to)	From February 2013 to August 2013
Occupation or position Held	III° year of Speciality training in General Paediatrics
Main activities	Clinical training in Paediatric Allergology
Department, Service	Department of Paediatric Allergology, Paediatric Allergology outpatient service
Name and address of Hospital	Department of Paediatrics, Head: Prof. G.V Zuccotti. Luigi Sacco Hospital, Via G.B. Grassi 74, Milano
Dates (from-to)	From September 2012 to January 2013
Occupation or position Held	III° year of Speciality training in General Paediatrics
Main activities	Clinical and Research training in General Paediatrics and Neonatology
Department, Service	Department of Pediatrics
Name and address of Hospital	Desio and Vimercate Hospital, Via Santi Cosma e Damiano, 10, Vimercate Monza e della Brianza
Dates (from-to)	From September 2012- to August 2013
Occupation or position held	II°-III° year of Speciality training in General Paediatrics
Main activities	Clinical training in pH-MII probe positioning and pH-MII monitoring for assessment of GERD in infants, toddlers and adolescents

Department, Service	Department of Paediatrics, Head: Prof. G.V Zuccotti. Paediatric Gastroenterology outpatient service directed by Dr. D. Dilillo
Dates (from-to)	From January 2012- to August 2013
Occupation or position held	II°-III° year of Speciality training in General Paediatrics
Main activities	Clinical training in Bowel ultrasound as observer
Department, Service	Department of Gastroenterology, Head: Prof. R. De Franchis. Gastroenterology outpatient service directed by Dr. G.Maconi
Name and address of Hospital	Luigi Sacco Hospital, Via G. B Grassi, 74, Milan
Dates (from-to)	From February 2012- August 2012
Occupation or position held	II°-III° year of Speciality training in General Paediatrics
Main activities	Clinical and Research training in Paediatric Infectious Disease
Department, Service	Department of Paediatrics, Head: Prof. G.V Zuccotti. Paediatric Infectious Disease Unit directed by Dr. Vania Giacomè
Name and address of Hospital	Luigi Sacco Hospital, Via G.B, Grassi, 74, Milan
Dates (from-to)	From June 2011 to January 2012
Occupation or position held	II° year of Speciality training in General Paediatrics
Main activities	Clinical and Research training in Paediatric Diabetes

Department, Service	Department of Paediatrics, Head: Prof. G.V Zuccotti. Paediatric Diabetes Unit directed by Dr. Andrea Scaramuzza
Name and address of Hospital	Luigi Sacco Hospital, Via G.B, Grassi, 74, Milan
Dates (from-to)	From May 2010 to May 2011
Occupation or position held	I° year of Speciality training in General Paediatrics
Main activities	Clinical and Research training in Paediatric Neonatology
Department, Service	Department of Paediatrics, Head: Prof. G.V Zuccotti. Paediatric Neonatology Unit directed by Dr. Laura Pogliani
Name and address of Hospital	Luigi Sacco Hospital, Via G.B, Grassi, 74, Milan
Dates (from-to)	From September 2009 to May 2010
Occupation or position held	Doctor
Main activities	General Paediatric+PBLSD (pediatric life support)
Department, Service	Department of Paediatrics, Head: Dr. S.Cherubini.
Name and address of Hospital	Busto Arsizio Hospital, Piazzale Professor G.Solaro, 3, Busto Arsizio, Varese
Dates (from-to)	From August 2009 to September 2009
Occupation or position held	Volunteer Doctor
Main activities	General Paediatric

Department, Service	Cèu e Terras Association: Department of Paediatrics and Neonatology of National Simao Mendes Hospital , Department of Paediatrics and Emergency Unit of Bor clinic, recovery nutrition center of Gabu
Name and address of Hospital	Neonatology of National Simao Mendes Hospital, Bissau city, Guinea Bissau, Africa
Education	
Dates (from-to)	From May 2010- to May 2015
Education and training	Speciality Training in General Paediatrics
Name and type of organisation providing education and training	Department of Paediatrics, Head: Prof. G.V Zuccotti, Luigi Sacco Hospital, Via G.B, Grassi, 74, Milan, Buzzi hospital, Via Castevetto 32, Milan. University of Milan.
Dates (from-to)	From November 2007 to June 2009
Education and training	Training in General Paediatrics as student first and then as volunteer doctor
Name and type of organisation providing education and training	Department of Paediatrics, Head: Prof. G.V Zuccotti, Luigi Sacco Hospital, Via G.B, Grassi, 74, Milan, University of Milan.
Dates (from-to)	September 2002 – July 2008
Education and training	Faculty of Medicine and Surgery
Title of qualification awarded	Degree in Medicine and Surgery, 110/110 and honours
Name and type of organisation providing education and training	University of Milan
Dates (from-to)	July 2006 – August 2007
Education and training	Faculty of Medicine and Surgery
Name and type of organisation providing education and training	University of Valencia, Spain
Dates (from-to)	September 2001 – August 2002
Education and training	Faculty of Biotechnology

Name and type of organisation providing education and training	University of Milan
Dates (from-to)	1996-2001
Education and training	High School, scientific studies "Leone XIII" Milano
Title of qualification awarded	High school leaving certificate, marks 100/100 and Honours
Dates (from-to)	1999-2000
Education	High School in scientific studies in Hopewell High Scholl, Hopewell Township, Beaver County, Penssylvania
Personal skills and competences	
Mother tongue	Italian
Other languages	English and Spanish
Self- assessment	Excellent level of spoken and written English, good level of spoken and written Spanish
Title of qualification awarded	None
Social skills and competences	Excellent communication skills and good capacity of interacting with others. Ability to structure arguments (documents, presentations and conversations) in a logical, succinct and simple way. Ability to synthesize information from a variety of sources to draw conclusions regarding how to address issues based on context, logic and emotion.
Organisational skills and competences	Good organisation skills. Good capacity of assigning priorities, planning skills, time management, timetabling, working to deadlines and working in groups.
Computer skills and competences	Good computer skills: Word, Excel, Power point, Internet. ECDL start exam (20.02.2003).

Other skills and
competences

Owner of sailing licence farther than 16 miles.

Additional information

11/22 Editorial Board member of The international journal of Pediatrics and Child Health

Abstracts and Posters

- 1) D.Dilillo, **C.Mantegazza**, G.V. Zuccotti. "I papillomavirus: potenzialità patogene e possibilità di prevenzione" *Pediatria Preventiva Sociale*, January 2008, 20° SIPPS congress: Reggio di Caserta, May 30-June 2 2008.

"Utilità della video capsula endoscopica nella diagnosi del sanguinamento gastrointestinale in età pediatrica: un caso clinico" Poster, SIMEUP 6° Congress, Trieste, September 15-20 2008
- 3) D.Dilillo, T.Vivaldo, F.Meneghin, **C.Mantegazza**, L.Perilli, G.V. Zuccotti. "Infezione da Norovirus in età pediatrica": Oral communication, updating course "Infezione da Norovirus in età pediatrica", 9 marzo 2009, Milano
- 4) F. Penagini, D. Dilillo, V. Giacomel, F. Meneghin, **C. Mantegazza**, T. Vivaldo, G. V. Zuccotti. Intestinal tuberculosis or Crohn's Disease? A diagnostic dilemma. *Digestive and Liver Disease*. October 2011; 43 (5): S422. Poster presentation at XVIII Congresso Nazionale SIGENP. Il bambino diventa adulto. Padova 13th-15th October 2011.
- 5) V.Giacomet, **C.Mantegazza**, F.Di Nello, P.Erba, S.Pisanelli, A.Benincas, G.Ramponi, G.V.Zuccotti. "Laryngeal tuberculosis in children: a case report". Poster, ESPID 2012, Thessaloniki, Greece, May 8-12 2012.
- 6) D. Dilillo, F. Penagini, **C. Mantegazza** F. Meneghin, V. Giacomel, C.Mameli, E.Galli, G. V. Zuccotti. Refractory iron deficiency anemia: the role of Helicobacter Pylori infection. *Digestive and Liver Disease*. October 2012; 44 (4): S269. Poster presentation at XVIII Congresso Nazionale SIGENP. Il bambino diventa adulto. Padova 13th-15th October 2012.
- 7) D. Dilillo, , E.Galli, F. Meneghin, F. Penagini, **C. Mantegazza**, A. Dolci, I.Infusino, M.PAnteghini, G. V. Zuccotti. A case of Monoclonal Gammopathy in Pediatric Crohn's disease. *Digestive and Liver Disease*. October 2012 44 (4): S269. Poster presentation at XVIII Congresso Nazionale SIGENP. Il bambino diventa adulto. Padova 13th-15th October 2012.
- 8) E. Bargozi, M. Gaiazzi, I. D'Amico, F. Meneghin, F. Penagini, **C. Mantegazza**, S. Cardile, G.V. Zuccotti, S. Salvatore1. Shall we care about antibiotic associated diarrhea in children?. *Digestive and Liver Disease*. October 2012 44 (4): S264. Poster presentation at XVIII Congresso Nazionale SIGENP. Il bambino diventa adulto. Padova 13th-15th October 2012.
- 9) Bowel ultrasound as a diagnostic tool in peptic ulcer. **C. Mantegazza** , D. Dilillo, G. Maconi, F. Meneghin, F. Penagini, G. Colella, F. Stefani, G.V. Zuccotti. Abstract *Digestive and Liver disease* 45 (2013)
- 10) Assessment of HIV infection status in children and adolescents through bowel ultrasound. C. Mantegazza, V. Giacomel, D. Dilillo, G. Maconi, F. Meneghin, F. Penagini, G. Ramponi, M. Torcoletti, G.V. Zuccotti. XX Congresso Nazionale SIGENP, 10-12 ottobre, Ancona. *Digestive and Liver Disease* 45 (2013) e282-3
- 11) Nutritional counselling and food habits among pediatric celiac patients: survey in Lombardia region. F. Meneghin, D. Dilillo, C. Mantegazza, F. Penagini, R. Valmarana, L. Cappella, G.V. Zuccotti. XX Congresso Nazionale SIGENP, 10-12 ottobre, Ancona. *Digestive and Liver Disease* 45 (2013) e304

- 12) Gut and Mesenteric Lymph Node Involvement in HIV Infection pediatric patients
Cecilia Mantegazza, Giovanni Maconi, Vania Giacometti, Federica Furfaro, Chiara Mameli, Cristina Bezzio, Michela Monteleone, Giulia Ramponi, Gian Vincenzo Zuccotti; O6. Poster presentation at BSPGHAN meeting, London 2014 29-31 January
- 13) The role of faecal calprotectin in paediatric non-IBD patients with gut pathology
Angelakopoulou A¹, **Mantegazza C¹**, Harris C¹, Horst C¹, Cale C², Shah N¹, Elawad M¹, Kiparissi F¹
Poster presentation at BSPGHAN meeting, London 2014 29-31 January
- 14) Parenteral nutrition in a tertiary paediatric referral centre. **C.Mantegazza**, GV Zuccotti, N. Landy, Hughes L, Hill S., Koglmeier J. Abstract/Digestive and Liver Disease 46 (2014) e85-e127
- 15)) Parenteral nutrition in a tertiary paediatric referral centre. **C.Mantegazza**, GV Zuccotti, N. Landy, Hughes L, Hill S., Koglmeier J. Poster presentation at BAPEN 14-15 October 2014.
- 16) Relevance of ultrasonographic parameters in predicting inflammatory bowel disease in a pediatric population. Abstract Digestive and Liver Disease 47 (2015)
- 17) Travel behaviour of children with intestinal failure on home parenteral nutrition. Poster. ESPGHAN 6-9 May 2015
- 18) Parenteral nutrition in a tertiary paediatric referral centre. Poster. ESPGHAN 6-9 May 2015
- 19) Accuracy of fecal calprotectin, bowel ultrasonography and inflammatory indexes in the diagnosis of paediatric inflammatory bowel disease. Poster. ESPGHAN 6-9 May 2015
- 20) Travelling with children on home parenteral nutrition. Accepted as mini-oral presentation. ISTBS 2015. 10-13 June 2015. XIV international small bowel symposium. Buenos Aires. Argentina
- 21) Travelling with children on home parenteral nutrition. Accepted as poster presentation. DDF meeting 2015. 22-25 June 2015, London.
- 22) Gastrointestinal bleeding and malignant diseases in pediatric age. A single center experience. L.Maestri, C.Mantegazza, M.Meroni, M.Napolitano, S. Paccagnini, E.Pozzi, GV Zuccotti, G. Riccipetiti. Abstract/Digestive and Liver Disease 48S(2016)
- 23) Correlation between 24-hour pH-impedence, reflux index scores and reflux finding score in the diagnosis of reflux disease in children with extraesophageal symptoms: a pilot study. Poster **XXIV Congresso Nazionale SIGENP**. Roma 5-7 ottobre 2017
